The new chapter plans to hold two meetings a year, both at Communion breakfasts—one in November for the deceased members of the group, and the other in the spring for St. Joseph's College. Fr. Albert Wuest will act as moderator.

Also present at the Nov. 28 meeting were Fr. Raphael H. Gross, S.J.C. president, and Hugh McAvoy, alumni field secretary.

Music Festival Dec. 14; Vacation Starts on 17th

Christmas vacation for St. Joe students will begin at noon on Friday, Dec. 17, and last until 8 a. m. on Monday, Jan. 3.

Pre-Christmas festivities the last week of school will include the annual Music Festival, scheduled for Dec. 14, combining the talents of the College Glee Club, the Band, and the St. Joseph's Choir.

Old-Timers Gather for Game and Party

A good crowd of friends and plenty of food and refreshments combined to make the after-Alumni-game party a real big success. Held in Noll Hall lounge this year because of the large number attending, the party is definitely on its way to becoming a St. Joe tradition. The photo above shows most of the men who were present, while those below are informal shots taken during the evening.—(Photos by Fr. Baird.)

Four C.P.P.S. Alumni Leave for Missions In South America

On Nov. 5 four more priest-alumni left the U. S. for the Precious Blood missions in Chile. They are Frs. Paul Buehler, '41, William Schenk, '46, Leo Herber, '48, and Emil Dinkel, '48. Departure ceremonies were held at St. Charles Seminary on Oct. 31.

Fr. Buehler is returning to Chile after spending a year in this country. He was in Chile from 1947 to 1953.

Fr. Schenk was ordained in 1950. Since then he has served as assistant at Our Lady of Mt. Carmel Church in Cincinnati and at St. Brigid Church in Xenia, Ohio.

Frs. Herber and Dinkel were ordained in 1952. Since then they have served as assistants at St. Gabriel Church and St. Anthony Church in Detroit.

The four new priests in Chile brings the number of Precious Blood Fathers in that country to 20. The Society is in charge of six parishes, a hospital, and more than 20 mission places.

Three Boards Meet On Campus Dec. 10-12

St. Joseph's was the scene of various board meetings on Nov. 10, 11 and 12.

The Provincial Board was in session on the 10th and 11th, and the Board of Control on the evening of the 11th. The Board of Lay Trustees and the Board of Control held joint meetings during the morning and afternoon of the 12th.

Alumni Conduct Annual Retreat

Fr. Anthony Suelzer, '35, and Fr. Hugh Hasson, '35, conducted the annual retreat for St. Joseph's students this year from Dec. 6 to 8.

A Solemn High Mass in the fieldhouse opened the retreat on Monday at 8:30 p. m., with Fr. Seraphin Oberhauser, C.P.P.S. provincial, as celebrant. Another

Solemn High Mass, celebrated by Fr. Raphael H. Gross, closed the retreat on Wednesday morning.

Because of the size of the student body, it was divided into two sections for retreat conferences—the freshmen and sophomores in one, and the juniors and seniors

in another. Other religious events coincided with this year's retreat. The college observed a special Triduum to St. Gaspar, and the Feast of the Immaculate Conception marked the end of the Marian Year observance.

PRESIDENT'S MESSAGE

On Christ's Birthday it is my privilege to extend to you and your loved ones our best wishes for a truly Merry Christmas and a Blessed New Year.

We are closing an important year in the history of the College—a year of accomplishment and a year of preparation for greater advancement in the future. This Marian Year has brought the blessing of the canonization of Gaspar del Bufalo, Founder of the Society of the Precious Blood. It has seen the College's highest enrollment and the beginning of the construction of two modern residence halls. But most of all it has drawn closer the bonds of loyalty between Alma Mater and Alumni and brought greater support from industry and friends. All this has been of inestimable value to those of us who, under God, guide and direct the destiny of the College and of the students whose lives it so eternally affects.

Please join us, at Christ's Mass, in thanksgiving for the year's blessings. May I add my own warm personal wish, and that of the Faculty and Staff, for the graces of health, happiness and good fortune for you and yours on Christmas and through the New Year.

Very sincerely,

Father Gross

Last Rites Held For '97 Alumnus, Msgr. Mungovan

Msgr. Edward J. Mungovan, '97, vicar general of the Diocese of Fort Wayne, died Nov. 27 in St. Margaret's Hospital, Hammond, following ten weeks' confinement. He suffered from a virus infection.

The 77-year-old prelate was buried in Catholic Cemetery in Fort Wayne Dec. 1, following chanting of the Office of the Dead by scores of diocesan priests and the offering of the Funeral Mass by Auxiliary Bishop Leo A. Pursley, '21, in St. Patrick's Church.

The sermon was delivered by Msgr. D. L. Monahan, '05, Fort Wayne Dean.

Bishop Pursley also offered a Requiem Mass on Nov. 30, in All

Saints Church, Hammond, where Msgr. Mungovan was pastor. Calumet area priests chanted the Office of the Dead preceding the Mass, and the sermon was delivered by Msgr. Frank J. Jansen.

Msgr. Mungovan had been pastor of the Hammond church since 1929, and vicar general of the diocese since 1940. He had served as chairman of the fund campaign for Archbishop Noll Hall, now under construction on the St. Joseph's campus.

After completing his studies at Mt. St. Mary's Seminary in Cincinnati, Msgr. Mungovan was ordained in Fort Wayne in 1902. He served as assistant pastor at St. Patrick's Church, Fort Wayne, and as pastor at St. Patrick's in Arcola, St. Francis Xavier in Pierceton, and St. Paul's in Valparaiso. He was appointed Diocesan Consultor in '36, Domestic Prelate in '40, and Prothonotary Apostolic in '46.

from GREAT LAKES, Illinois

. I enlisted in the Navy from Gary and left from Chicago for Great Lakes on September 27th. After being processed at Camp Berry, mainly because of my education I was appointed RCPO (Recruit Chief Petty Officer) of my company. After approximately a week I caught on to the military drill that all recruits must know something about to get through boot camp and graduate. Since then, what with regular classes, physical training, swimming, weekly shots and tests, plus keeping immaculately clean, I've been a very busy recruit.

I have applied for OCS, a 16-week course at Newport, R. I. Should I be accepted and complete the course, I'll be commissioned an Ensign in the Navy. I should know within the next two weeks if I'm to be accepted.

So far here at Great Lakes I've not encountered any St. Joseph's men, but considering that there are approximately 9000 men at the station I'm not too surprised. There is a boy from Rensselaer in my company, however, William Simons, so that's almost like having someone from the old Alma Mater with me.

My address, in case anyone is interested in writing (no immediate answers promised) is:

. Ever so often I decide to sit down and write a letter to find out how everything is going at St. Joe's. I think the last time I wrote I was in basic training at Fort Knox.

At the present time I'm in Frankfurt, Germany. After basic training and clerk school at Fort Knox, I went to the Adjutant General's School at Fort Benjamin Harrison, where I graduated as a stenographer and subsequently was sent over here. I enjoy my work here very much. I work for the Inspector General of the V Corps and so far have covered quite a bit of Germany in the course of several investigations. Of course I am looking forward to getting back home. I rotate home the last of next July. That is, unless I can obtain an early release. I would appreciate any information you can supply me in regard to your summer school program on which I could base my plans for next year.

This certainly is a small world—I ran into Bill Diets a St. Joe graduate of last spring, on the street in downtown Frankfurt several weeks ago . . .

. Got CONTACT from my folks and read it from one end to the other. Never knew how interesting an alumni paper could be. I was especially pleased with the Pumas' pigskin prowess (this phrase lifted directly from "Stuff" headline of '52 vintage). The frosh especially seem outstanding and look like a good foundation for years to come. Hope the basketball team does as well—better, if it can. No matter where I end up, I'll be looking for St. Joe scores.

As for myself, I'm still wending my weary way through Air Force basic. Have eight weeks in, three to go before my stripe. After leaving here, I'm scheduled to go to Denver for accounting and finance tech school. Apparently I'm going to follow an Air Force career in my college major, which is both hunky and dory with me.

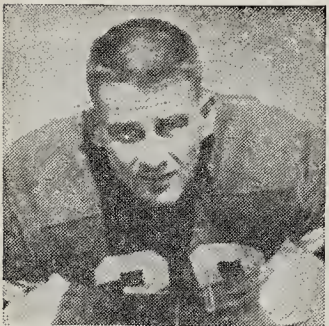

I'm also shooting to become an officer. I've passed the mental and physical tests for OCS and should enter the school in either March or June. By this time next year I should be a looie, with luck. At any rate, I'm making a wild attempt.

Your beautiful upper New York State scenery is everything you said it was. Very beautiful. And very cold. Three Pumas on Honor Teams As Gridders Have Winning Year

Three members of St. Joseph's football squad were chosen for post-season honors as the Pumas wound up their first successful grid season since 1949 with a record of 5 wins and 4 losses.

Center John Donnelly, a senior from Trenton, N. J., and halfback Bob Hamman, a freshman from Kentland, Ind., received honorable

mention rating on the All-Catholic All-American football team for 1954. Donnelly was one of four centers and Hamman one of 20 backs chosen from all the catholic colleges and universities of the United States.

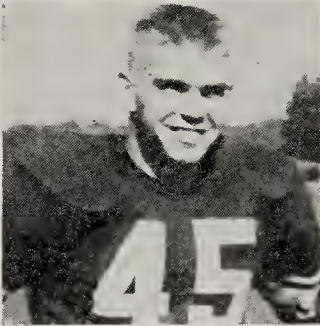

Donnelly, the bulwark of St. Joe line on both offense and defense, had been chosen as the squad's

EFFING

Most Valuable Player, an award he also won in 1952. Hamman tallied 42 points for St. Joe, two of his scores coming on kick returns of 100 and 98 yards.

End Merle Effing was one of 11 players named to the All-Midwest team as picked by the La Crosse "Register." Effing, a

HAMMAN

junior from Evansville, Ind., was one of the team's leading pass receivers and was outstanding as a defensive end.

Alums Bow to Varsity In 85-67 Decision; J. Dwyer High Scorer

Nine of St. Joseph's former cage stars returned to the Collegeville court Saturday, Nov. 20, to do battle with the 1954-55 varsity in the annual Alumni-Varsity basketball game.

Outmanned, but never out-fought, the Alumni gave good account of themselves for three periods before bowing in the final quarter to the youngsters' youth and speed by an 85-67 score. Jack Dwyer, who set an all-time scoring record for St. Joseph's before he graduated in 1953, showed the sparse crowd that he had not lost his scoring touch as he poured through 23 points to lead the Alumni in scoring.

Don Merki, the varsity's high scoring forward, who shattered Dwyer's mark on Dec. 4 against Bellarmine College, matched the 23-point total of Dwyer's.

Don Tesmond, '50, perhaps a bit heavier than in his college days, accounted for 12 of the old-timers' points and turned in an excellent floor game. Bob Horky, '50, saw considerable service for the losers and contributed 8 points. Big Mike Kacmar collected 7 more and rebounded well.

Guards Dick Collins, ex-'50, and Bill Taylor, '51 divided 12 points between them, and center Jerry Garren, '51, and forward Larry Blaese, ex-'52, battled Merki and center Chet Pilat for rebounds.

The new victory gave the varsity a perfect record in the Alumni-Varsity series, with three wins and no losses.

Brother Dave Awarded SJ Varsity Monogram

Brother Dave Schneider, '99, was presented a Puma varsity letter and a radio during half-time ceremonies at the St. Joe-Ohio Northern game on Nov. 13.

Honored for his long service to

the College and for his constant interest in Puma sports, Br. Dave becomes a welcome member of the Monogram Club along with his winning of a varsity letter.

The radio was presented by the Student Council—for "good reception of the Cincinnati Reds games."

THE JUNIOR CHAMPS of Xavier Hall, 1908-09, have been identified by Fr. Anthony Meyer, '15, C.P.P.S., from the photograph in the November issue. Fr. Meyer thinks the top row, left to right, is: Fred Beerman, Fr. George Pax, Charles Meiring and John Korf. The lower row: Herman Hoenigman, Fr. Otto Mueller and Charles Leising.

Merki Smashes Scoring Record As St. Joe Captures Second Win

Dec. 5—Forward Don Merki slipped in a layup 14 seconds before the final gun sounded to set a new St. Joseph's all-time scoring record of 1069 points, as the Pumas outclassed Bellarmine College of Louisville, Ky., 87-67, Saturday night at Collegeville.

It was the second victory in three games for St. Joe's. After opening the season with a loss to a red-hot Anderson College on the victor's home floor by a 96-84 score, the Pumas topped Wabash at Crawfordsville 76-58 on Dec. 1.

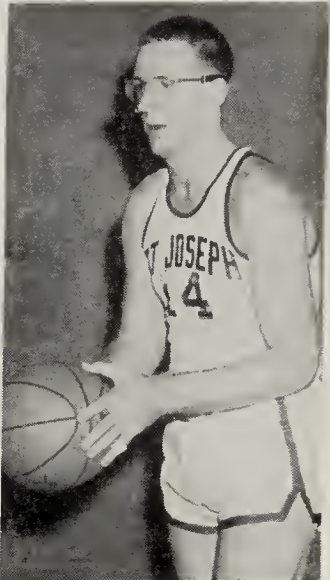

Merki's total eclipsed the old mark of 1067 points set by Jack Dwyer during the 1952-53 season. The big forward finished the night with 23 points to lead both teams in scoring.

With guard Willie Kellogg hitting the first eight points, the Pumas moved to an 18-4 lead in the opening minutes, increased their margin to 20 points midway through the first half, and then matched the Kentuckians basket for basket the remainder of the game.

Only in the closing minute of the first half could the visitors threaten the Pumas' advantage as

they cut the lead to 11 points. But with Merki and center Chet Pilat scoring often under the basket, St. Joe quickly regained their 20-point bulge as the substitutes played out the remainder of the game. Pilat collected 18 points and Kellogg 15 for the Pumas. Center Charlie Lanz led Bellarmine with 22 points.

St. Joseph's travels to Terre Haute Thursday where they will open their Indiana Collegiate Conference play against the Indiana State Sycamores. They return home Saturday to meet the St. Norbert Knights of West De Pere, Wis., at Collegeville.

General Electric Begins Contribution Program

The "Corporate Alumnus Program" is a new plan recently announced by the General Electric Company whereby the company will match any contribution up to \$1000, given by an employee to the college from which he graduated.

Philip D. Reed, chairman of the G. E. Board of Trustees, said the new plan is thought to be unique in business-education circles. He estimated that General Electric employs 23,000 college graduates with degrees from 540 schools.

To qualify for the corporation's gift, the alumnus must have earned his degree from the college, and his contribution must be an actual gift in 1955 and not a pledge.

There is a possibility, however, that in 1956 the financing will be unrestricted as to amount, or possibly limited to \$5000. It is also possible that in 1956 the corporation will match any contribution made by any employee to any college.

CP's Schedule Reading Program

A Columbian Players "extra" is scheduled for Dec. 16, when a group of ten students will present a program of readings in the College theatre. The selections, most of which are taken from literary classics, will offer a wide variety of entertainment.

Near-capacity audiences on Nov. 21 and 22 enjoyed the C.P.'s first production of the year, "Arsenic and Old Lace." Directed by Ralph Cappuccilli, who has returned to St. Joe's this year after a two-year leave-of-absence, the famous old play was exceptionally well received by students, faculty and townspeople alike.

To date I have been able to take several very interesting trips on weekends and three-day passes, but this month (Nov.) I plan to take my first big leave. I hope to leave on Thanksgiving Day and go from Heidleberg, where I am stationed, to Lourdes. From there I will go to Fatima through Madrid and Lisbon. Then I will spend a couple more days in southern Spain and fly from Seville to Rome in order to be there for the closing of the Marian Year . . . I hope to have an audience with the Holy Father . . .

Ed Cavanaugh, ex-'53, Killed in Crash

Eddie Cavanaugh, ex-'53, was one of four Air Force pilots killed last July 8, in an aerial collision of two training planes over the rough ranch country near Big Spring, Tex.

Lt. Cavanaugh, whose father is Bert Cavanaugh, ex-'14, now a prominent Phoenix (Ariz.) realtor, had been in the Air Force four years. He received his wings in September of 1953 at Webb Air Force Base.

After flying jets at several bases he was assigned to Craig A.F.B., Selma, Ala., where he graduated at the top of the jet instructors class. He had been re-assigned to Webb only since July 2. The planes involved in the collision were propellor-driven trainers.

A graduate of St. Mary's High School in Phoenix, where he was outstanding in football, basketball, baseball and golf, Eddie had continued his interest in golf. According to the professional at Phoenix Country Club, he was "one of the best golfers in the

club," and Arizona professionals expected him to become a leading state amateur upon his discharge from the service.

He was a 1949 graduate of Phoenix College and had also attended Arizona State College at Tempe.

Death Claims Father Leo Faurote, '09

A Solemn Requiem High Mass was offered at St. John's Church, Tipton, Ind., Nov. 30, for the repose of the soul of Fr. D. Leo Faurote, '09. The Rev. Jerome Walski celebrated the Mass; the sermon was preached by Bishop John G. Bennett.

Fr. Faurote died Nov. 26, at the

age of 71.

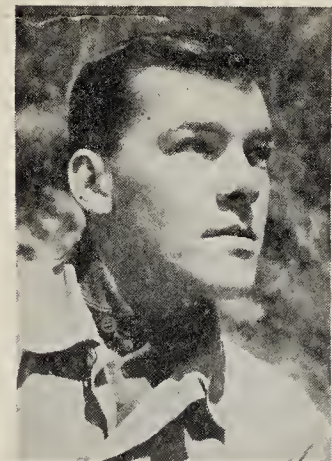

He was born Aug. 23, 1883 in Decatur, Ind. After attending school at both St. Joseph's College and Valparaiso University, he received his seminary education at Mt. St. Mary's of the West in Cincinnati. He was ordained June 27, 1914.

After serving in various parishes of the diocese and as an Army chaplain during World War II, Fr. Faurote was assigned in 1940 as chaplain of the motherhouse of the Sisters of St. Joseph's in Tipton, where he remained until his death.

The American Legion post of Tipton participated in the funeral services. Burial was in Catholic Cemetery in Fort Wayne.

Father Guillozet, '30, Dies Suddenly

Father Edmund Guillozet, '30, C.P.P.S., died suddenly Nov. 17, in Hazen, N. Dak., where he was pastor of St. Martin Church. Apparently in good health, he

had visited his brother, Fr. Raymond Guillozet, the evening before at Beulah, N. Dak. Death, caused by a blood clot, came at 7:15 the next morning.

Born in 1905 in Russia, Ohio, Fr. Guillozet entered the Precious Blood community at Burkettsville on Sept. 6, 1923, was professed Dec. 4, 1927 and ordained on May 12, 1935.

Fr. Guillozet taught at St. Joseph's for 12 years, beginning in 1937. Sickness, which resulted in what appeared to be a heart attack, forced his retirement from teaching and he was appointed pastor of St. Martin's in August 1949.

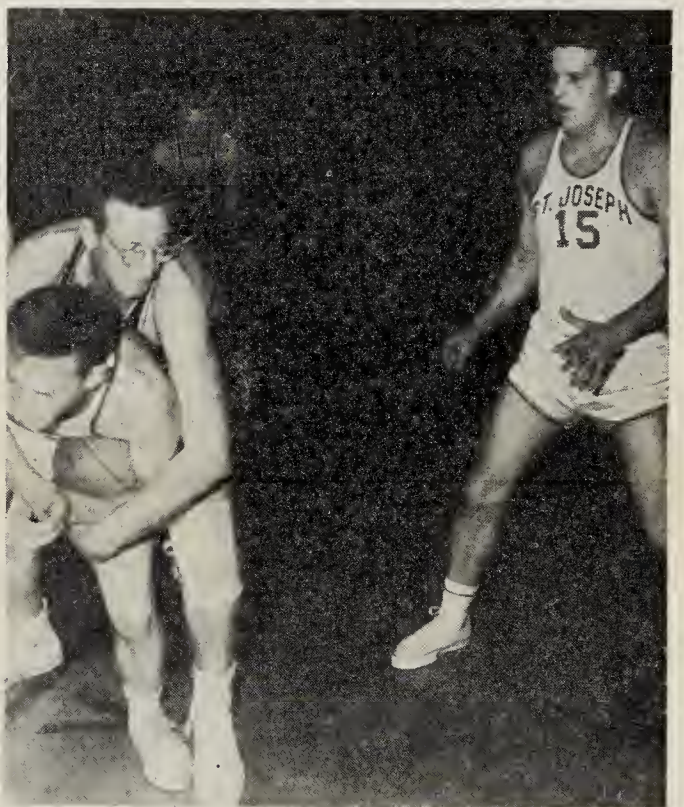

A Solemn Requiem Mass was sung at the parish church in Hazen on Nov. 19 by Msgr. William Garvin, vicar general of the Diocese of Bismark. About 40 priests were present, including all the C.P.P.S. Fathers of that area.

Funeral services were held on Monday, Nov. 22, at St. Charles Seminary, with Fr. Raymond as celebrant of the Solemn Funeral Mass. About 70 priests and 160 laypeople were present.

Jubilarian

BROTHER LOUIS STOCK, '31, celebrated the Silver Jubilee anniversary of his profession on Dec. 12. As student and C.P.P.S. brother, Louis has devoted most of his adult years to St. Joseph's College. The jubilee celebration, held at St. Joseph's, included a Solemn High Mass at 9:30 a. m. and a festive dinner at noon.

In the lower photo, Alumni Forward Jansen drives around Chet Pilat in a late rally by the Alumni. In the background is Jerry Garren, '50.
